ABOUT SHALINI BHALLA-LUCAS

Shalini Bhalla-Lucas is an award-winning author, entrepreneur, mental health and social commentator, motivational speaker and the founder of Just Jhoom! – a happiness and wellbeing company. She is also an accredited mindfulness and meditation teacher – teaching people highly-effective, proven techniques to help combat stress, anxiety and depression.

Shalini has taught dance and mindfulness all over the world and has had TV appearances on BBC, ITV, Channel 4, and Kenya Television Network (KTN), as well as on numerous radio stations and podcasts. She has been featured in publications such as the HuffPost, RED magazine and Top Santé discussing physical, mental and spiritual wellbeing through dance and mindfulness. She is a trained radio presenter and during the Covid-19 pandemic presented a daily segment “5-Minute Mindfulness” on KTN, as well as writing for The Star newspaper in Kenya. She now hosts her hugely popular mental health and wellbeing show “Mindfulness, Music & More” on the Nairobi radio station Capital FM.

In July 2018 Shalini self-published “Always With You – A true story of love, loss... and hope” the memoir of her love-story with her beautiful, kind husband Jeremy Lucas who passed away in 2016 after a two-year battle with cancer. It became a No 1 Amazon Bestseller three months later. Shalini’s second book, “Online Dating @40 – The Nobheads, Nutjobs & Nice Guys”, was published in February 2019. In March 2020 Shalini’s third book “Happiness! Is It Simply A Mindset Shift?” was officially launched world-wide on Amazon.

Shalini is passionate about mental health and continues to work tirelessly in the media to ensure better awareness of mental health issues. She is also a strong advocate for improving legislation, policies and healthcare provision.
